Reference:

The Board submits to Government that the Jeep No.MDB.901 of Bellary district was handed over to the Collector, Bellary for election work on 15-12-51 and it broke down on 17-12-51 while it was in use with the Revenue authorities. The District Prohibition Officer, Bellary had been unable to carry out the repairs locally and the Deputy Commissioner, Prohibition(Enforcement), North therefore requested permission to send the jeep to Government Automobile Workshop at Madras for repairs. The Board accorded the permission asked for but the jeep could not be brought over to madras due to high transport charges which works out to Rs.300/-. In the meanwhile the District Prohibition Officer, Bellary was able to get an estimate from the Mechanical Supervisor, Highways Department for the repair of the Jeep at a cost of Rs.900/-. He has also obtained an estimate ~~of~~ from M/s Asquith & Co., Ltd., Bellary for Rs.305/- for the renewal of hood and cushions of the jeep. The Motor Vehicle Inspector who inspected the vehicle checked the estimates and has certified that the rates are reasonable. There is only one jeep available for patrolling the town and much difficulty is being experienced in its absence. The Deputy Commissioner, Prohibition(Enforcement), North has therefore recommended that the Jeep may be entrusted to Highways Department for urgent repairs since it is a Government concern and the other repairs got done from M/s Asquith & Co., Bellary.

2. In the above circumstances, the Board requests that the Government may be pleased to sanction an expenditure of Rs.1205/- * (Rupees one thousand two hundred and five only) towards repairs of the Jeep No.MDB.901 of Bellary district and requests early orders in the matter.
